**2. Grammar:**

- Past forms
- Past modals
- The Passive
- The Causative
- -ing/-ed endings

**3. Speaking topics:**

1. Reflect on the term "toxic masculinity". What is your opinion about the concept? What does it

mean to be a "man" today? Justify your viewpoint with the examples.

2. Explain the concept of "misogyny". What can cause it - both on men's and women's part? Can

feminism cause misogyny? Justify your viewpoint with the examples.

3. Describe the concepts of men being "hard" and women being "homely" — would you fancy any

of them or not? Why? Are there any gender expectations circulating in your community? Is it

difficult for you (not) to meet them? Justify your viewpoint with the examples.

4. Share your thoughts on the global problem/controversy from Kurzgesagt video that you've chosen.

5. Talk about the movie/TV-series you've watched recently. What did you particularly like/dislike about it?

6. Imagine you were able to create an ideal university curriculum on your own. Talk about courses

you would (not) include, types of classes you prefer etc. Justify your viewpoint with the examples.
